A Message from Your Fund's Board

JPMorgan Funds

Dear Shareholder,

This is to notify you that the JPMorgan Funds – Global Convertibles Fund (EUR) (the “Merging Sub-Fund”) in which you own shares will be merged into the JPMorgan Investment Funds – Global Income Fund (the “Receiving Sub-Fund”).

The Investment Manager intends to convert the portfolio of the Merging Sub-Fund to cash and cash equivalents such as deposits with credit institutions, money market instruments and money markets funds for a short period in preparation for the merger, resulting in the Merging Sub-Fund having less market exposure which may have a positive or negative impact on performance. It is expected that the portfolio conversion to cash and cash equivalents will commence no earlier than 5 business days prior to the merger date.

The reason for the merger and your three options are explained below. Please take a moment to review the important information below. More detailed information, including rationale and timing, appears on the following pages. If you still have questions, please contact us at the registered office or your local representative.

Peter Schwicht

For and on behalf of the Board

Sub-Fund merger – option to take action ends 21 April 2026 at 14.30 CET

Reason for merger

The Merging Sub-Fund has experienced sustained outflows, which are expected to continue, due to long-term performance issues and a decline in retail investors' interest in the asset class. The key drivers of performance issues are negative security selection and outperformance of low quality and speculative/crypto-related convertible securities that do not meet the Investment Manager's criteria.

As of 12 December 2025, the Merging Sub-Fund's assets amount to USD 243 million. If the assets drop below USD 100 million, the Merging Sub-Fund loses its qualification to purchase particular, restricted securities in the US known as 144A securities. These securities are a critical investment for the longer-term success of the Merging Sub-Fund.

As a result of the performance issues and potential for the assets to ultimately drop to a level where managing the Merging Sub-Fund according to its Investment Objective and Policy would be adversely impacted, the Board believes that it would be in the shareholders' interests to merge it into the Receiving Sub-Fund, which is larger and has stronger growth potential.

A Message from Your Fund's Board | JPMorgan Funds

In the event that the Merging Sub-Fund's assets under management reduce, as a result of shareholder redemptions, to a level whereby the Investment Manager can no longer continue to meet the investment objective and policy of the Merging Sub-Fund, the portfolio may need to be moved to cash/cash equivalents. In this case, the Board may decide to liquidate the Merging Sub-Fund, instead of the merger, as soon as practicable in order to protect the best interests of the remaining shareholders.

Your options

- 1. Take no action.** Your shares will automatically be exchanged for shares of the Receiving Sub-Fund. Any shares of the Merging Sub-Fund that you still own after the deadline will be exchanged for shares of the Receiving Sub-Fund.
- 2. Switch your investment to another Sub-Fund.** We must receive your dealing instructions by the deadline shown below. Be sure to read the Key Information Document (KID) for any sub-fund you are considering switching into, and for further information, the prospectus.
- 3. Redeem your investment.** We must receive your dealing instructions by the deadline shown below.

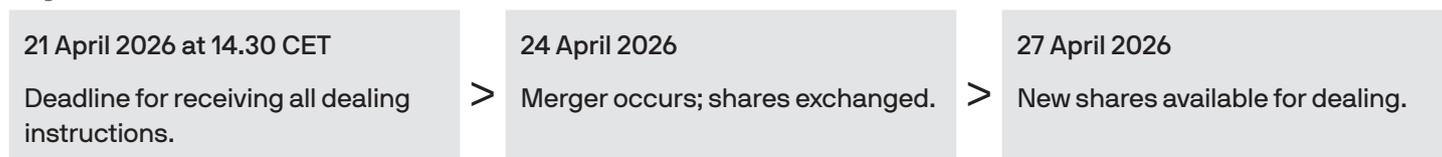

You may want to review these options with your tax adviser and your financial adviser. All options may have tax consequences.

Regardless of which option you choose, you will not be charged any switch or redemption fees as long as we receive your dealing instructions before the deadline shown below. All other switch and redemption conditions in the Fund's prospectus still apply.

A merger statement will be mailed to you within 10 days of the merger date. Additional information, including the Fund auditor's merger report, KIDs of both Sub-Funds, prospectus and most recent financial reports of both Sub-Funds are available at www.jpmorganassetmanagement.lu or from the registered office. An electronic copy of this notice is available on the website: www.jpmorganassetmanagement.lu.

German Shareholders: The merger is intended to be tax neutral in accordance with article 23 of the German Investment Tax Act.

Key dates

| Impact | |
|---|--|
| Key differences in investment policy between the Merging Sub-Fund and the Receiving Sub-Fund | <ul style="list-style-type: none"> • The Merging Sub-Fund's main investment exposure is in convertible securities from issuers anywhere in the world, including emerging markets, whereas the Receiving Sub-Fund's is in debt securities, equities and real estate investment trusts from issuers anywhere in the world, including emerging markets. • The Receiving Sub-Fund may also invest in MBS/ABS, below investment grade debt securities and contingent convertible bonds. Please see Risk Descriptions in the JPMorgan Investment Funds prospectus for the associated risks with such investments. • The Receiving Sub-Fund may use derivatives for investment purposes as well as, hedging and efficient portfolio management, whereas the Merging Sub-Fund uses derivatives for hedging and efficient portfolio management only. |
| Potential benefits | <ul style="list-style-type: none"> • Shareholders of the Merging Sub-Fund will benefit from investing in a sub-fund with better prospects for stronger growth in assets in the future. • Shareholders of the Merging Sub-Fund will benefit from a broader range of securities, which may include convertible securities, diversifying instrument specific risks. • Shareholders of the Merging Sub-Fund will benefit from lower share class Operating and Administrative Expenses in the Receiving Sub-Fund. |
| Potential drawbacks | <ul style="list-style-type: none"> • One-time expenses associated with transaction costs will be borne by the Merging Sub-Fund, due to the conversion outlined below in 'other considerations'. • On the merger date, and during the two business days before that, investors will not be able to subscribe for, switch or redeem shares in the Merging Sub-Fund or switch shares from other Sub-Funds into the Merging Sub-Fund. |
| Other Considerations | <ul style="list-style-type: none"> • The Merging Sub-Fund will not bear any additional legal, advisory or administrative costs associated with the merger, which will be borne by the Management Company. • Shareholders in C2 Share Classes of the Merging Sub-Fund will be merged into C Share Classes of the Receiving Sub-Fund with higher total expenses. • The Investment Manager intends to convert the portfolio of the Merging Sub-Fund to cash and cash equivalents such as deposits with credit institutions, money market instruments and money markets funds for a short period in preparation for the merger, resulting in the Merging Sub-Fund having less market exposure which may have a positive or negative impact on performance. It is expected the portfolio conversion to cash and cash equivalents will commence no earlier than 5 business days prior to the merger date. • The Receiving Sub-Fund uses Relative VaR as a measure of global exposure and expects to generate an indicative level of leverage through derivatives of 150%, which may be significantly exceeded. The Merging Sub-Fund uses the Commitment Approach as a measure of global exposure and is limited, under the regulatory rules, to leverage of up to 100% of the Sub-Fund's Net Asset Value. • On the mailing date, the Merging Sub-Fund will be 'soft closed' meaning new investors will not be able to subscribe for or switch into shares of the Merging Sub-Fund. Only existing shareholders of the Merging Sub-Fund will be able to subscribe for, switch or redeem shares in the Merging Sub-Fund up until the deadline for receipt of switch/redemption orders. • Performance information for the Merging Sub-Fund and Receiving Sub-Fund can be found in the relevant factsheet which is available from the document library at www.jpmorganassetmanagement.lu. |

When the merger transaction occurs, all assets, liabilities and any income in the Merging Sub-Fund will be transferred to the Receiving Sub-Fund, and the Merging Sub-fund will cease to exist.

All shares remaining in the Merging Sub-Fund at the merger date are exchanged free of charge for shares in the equivalent share class of the Receiving Sub-Fund. C2 shares in the Merging Sub-fund will be exchanged for C shares in the Receiving Sub-Fund.

The exchange ratio used to determine the number of shares to be allocated in the Receiving Sub-Fund is calculated by dividing the respective net asset value per share of each share class in the Merging Sub-Fund by the net asset value per share of the share class of the Receiving Sub-Fund, both exceptionally rounded to 6 decimal places for the purposes of the merger. The exchange ratio is rounded to 7 decimal places. The calculation of the exchange ratio will be validated and documented in the merger report prepared by the Fund's auditors (PricewaterhouseCoopers Assurance, société coopérative, Luxembourg) that will be available to you upon request.

The total value of the shares you own in the Merging Sub-Fund and the new shares you receive in the Receiving Sub-Fund will be the same, subject to rounding adjustments, but you may receive a different number of shares.

Sub-Fund comparison

This table compares the relevant information for the Merging Sub-Fund with that of the Receiving Sub-Fund. Unless stated otherwise, terms in this table have the same meaning as in the relevant prospectus.
